Whispers from The Brighter World
A Fourth Revelation

Wednesday, November 15, 2000 - 10:00 a.m.

Your friends have different ways to commit themselves in relation to these messages. All efforts are welcome. Each of them can play their role. There also, it is the heart that must express itself.

"At first, it is beneficial to recognise this system of communication, to sincerely adhere to it and sustain it through positive reactions. In addition to what these writings give them on a personal level regarding their development, on the material level they have opportunities whereby they can participate – if only in details, which are not unimportant.

"In the future, all those who have access to these writings will have to commit themselves one way or another.

"This saga is just starting.

"Nothing was built in this world without raising difficulties. The incomprehension reigns intensively. Every one of them will need determination to make obtuse minds admit that these messages are actually the fruit of channeling contacts between our sister and us, who are on completely different levels."
