Whispers from The Brighter World
A Fourth Revelation

Tuesday, December 5, 2000 - 8:00 a.m.

e know that love nourishes you and that it helps you live. We can see your heart and know how you operate. You can give thanks to God; it is good luck to have reached this point.

"Love is the panacea. When will men understand it, instead of hating and exterminating one another?

"The golden age is not for tomorrow, but each day is a small step towards its coming true.

"Hearts rise up towards the light, and more and more people with goodwill appear in the world to help their brothers in difficulties.

"The world is an immense field of sufferings, caused by a multiplicity of evils. Constant complaints reach us. Prayers rise towards the Almighty, so that in His infinite goodness, He may one day grant to the beings populating this Earth, a life less hard thereon and that spiritual ideals prevail, bringing peace to the hearts of men of goodwill who work for their salvation and for that of the whole humanity.

"May this mad world wake up one day to beauty, harmony and love."
