Whispers from The Brighter World

A Fourth Revelation

*Monday, December 11, 2000 - 10:00 a.m.*

The Medium: "Every day, I move forward on the path where you guide my steps. You have my heart at your disposal just as you please. The final result does not worry it. It is happy, since it depends on you. Your love is its food, what more could I need!"

*That is surrender. Why could you not express yourself in these messages? Even if they were not solely intended for you, like it or not, you are at the core of this work.*

*"You are the thread of it. Your questions beget answers. All that you live, your joys, your sorrows, your questions concerning the Mission, nothing leaves us cold.*

*"These writings are influenced by your life. A medium is not a heartless or emotionless machine that writes without taking part. It is your energy and your love for us that make these messages pile up. We express ourselves through you, our hearts vibrating in unison. You know very well that you are not just a 'pencil', as you enjoy saying. Your sensitivity enables you to grasp the subtlety of our teaching.*

*"That had to be said to enlighten your circle. What you do is not easy. Only the heart's purity allows this exchange; your channeling gifts could not have been sufficient.*

*"We bless you, my daughter."*

(5:00 p.m.)

Medium: "Forgive my reactions that are too human, Babuji."

Reflections

*"If you were not so human, as you say in a pejorative way, you could not perform this work."*
