Whispers from The Brighter World

A Fourth Revelation

Monday, December 18, 2000 - 10:00 a.m.

"They are the fruit of your sadhana. Your perseverance and our work lead you to a threshold where the heart feels itself existing. Grace fills up the whole being; all else is no longer important.

"We wrote many pages of advice for you to help you go in the right direction. Today, we insist on the results, which sooner or later you must obtain.

"No effort is lost: everything is useful, everything is counted.

"Nothing delights us more than seeing a soul reaching the goal. Persevere relentlessly to reach that point, then the angels will sing with you.

"With all our blessings."
