Whispers from The Brighter World
A Fourth Revelation

Tuesday, December 19, 2000 - 8:00 a.m.

Why not remain along the same line as previously and keep on glorifying love? Nothing, nobody can stop it. It is more powerful than the thunder and all the elements lumped together.

"It could sweep away everything and transform everything on this Earth, but the moment has not yet come.

"New rules can be established when the accounts have finally been settled.

"When man can look at light directly without being dazzled by its glare, then Eden will be established here below.

"You can cultivate love in you.

"Call it with all your heart, so that peace and harmony can reign in a universal and divine order, rid of false beliefs which enslave man. May the occult powers disappear and truth, in all its beauty, be revealed to man gripped by wonder.

"When it is nearly time for a new year, there is every hope for wishes to be answered. By building a perfect world in your hearts, you can do better than just dream of it. This wish is not utopian; anything is possible for God and He cannot refuse anything to the pure in heart. Then, it is up to you to prepare a future world in accordance with what we have just mentioned."
