Whispers from The Brighter World
A Fourth Revelation

This experiment was deliberate to make you and your teammates understand how it is necessary to be vigilant when a modification is made to these texts. The issue is not to make it look nice, but to respect the spirit which emerges from the words, while keeping it in good French. In that, more than elsewhere, it is necessary to go beyond appearances and to strive to understand the hidden meaning of our remarks.

"These messages are aimed at all and each one individually. It is in these circumstances that we say: make of it what you will. The formula is as old as the hills. The Masters of the past and of the present say the same thing. Human comprehension develops with time and the openness of the heart is generated by spiritual evolution. We always address the same issues, since we note that that is necessary.

"We see, by your reactions, what reactions your brothers will have in the future and we adjust these writings accordingly.

"'The road is cleared; feel how a perfume of eternity is coming up'. That summarises a whole work done on you, which offers you a glimpse of happy prospects for the future. My dear daughter, you came up against this small expression with difficulty, it does not matter at all."
