Whispers from The Brighter World
A Fourth Revelation

Thursday, December 28, 2000 - 10:00 a.m.

We can hear that song which comes from your heart and comes up to us. It is received without the slightest note being lost.

"As valuable a song as any, both melodious and powerful, it is an expression of the love which binds the disciple to his Master.

"Do not be afraid of opening your heart, what else is nobler than this song! It lifts you up above the darkness of the world, and be assured that nothing can either tarnish or depreciate it.

"On this point, know how to get over conventions imposed by your culture and your education.

"In the secrecy of the heart, everything is possible: the purest alchemy can take place therein. It raises the heart towards the Creator; it is the only real gift that you can give Him.

"Be present at the meeting point, that Holy place where His presence can be felt when it is desired.

"Turn your back on the world, in these supreme moments when the heart calls for grace and relishes it.

"Do not repress any heart impulse; it is like a powerful beacon that propels you towards the Unique, and these blessed moments make you stride towards 'Him'."
