Whispers from The Brighter World
A Fourth Revelation

Saturday, December 30, 2000 - 10:00 a.m.

Get ready inwardly for what we are expecting. Remain in the most complete surrender and so constantly eager to serve us.

"Anything is possible for God. In due time all the conditions will be met so that your destiny is achieved.

"Cultivate love in you permanently. Love your Master as much as you love us, hence a great stride will be made in the right direction.

"The destiny of all beings is like a fabric woven very carefully. Certain fabrics, rarer than the others, are given special attention. Each yarn must be solid and perfect; that is the way it has to be.

"You understand these words; you know what we are driving at. Your circle will perhaps be able to decode this language. The future will enlighten them on this point.

"Try to show them who you are. One day, they will know; it is their own heart that will feel it.

"There is no need to talk to get something felt.

"Do not feel embarrassed, remain in the simplicity of the heart. Souls that are next to you understand and receive according to their inner conditions.

"Sooner or later, the truth must come out as clear as day.

"That is how it is, that is what we had to say today. Be at peace my child."
