Whispers from The Brighter World
A Fourth Revelation

Sunday, December 31, 2000 - 10:00 a.m.

Why do you think that you are delirious? You are incorrigible. Maitreya is a great soul who works for the good of the entire humanity, without any distinction. He looks at her who is at our service and who contributes through her gifts to collecting a special teaching to which he adheres completely. He supports all that can contribute to the great divine project of strengthening the souls that pass through this world.

"Be thankful for his blessings to you. As you can see, remarks coming from various sources lead to the same conclusions concerning you.

"Follow your own way, under the benevolent gaze of your Masters. You are coming to the climax of your existence.

"We appreciate your major qualities; do not worry about the rest as you do your best to cope with what is not agreeable to you.

"This end of the year brings special blessings to you as well as to those who surround you and whom you cherished.

"Focus on our objective which must become yours. You know what we are driving at; our projects must materialise in spite of everything."
