Whispers from The Brighter World

A Fourth Revelation

Tuesday, January 16, 2001 - 10:00 a.m.

My dear daughter, let the words that show the beauty of our relationship run across the paper. You should not feel embarrassed by this sort of introduction to this heart to heart.

"Your societies perish from too large an outpouring of base and even morbid feelings and yet you are afraid to show what is beautiful and pure, all that which comes from the heart.

"This kind of heart bond is exemplary. You saw it: Master Jesus, whose teaching is different from ours in that it respects what is being taught to the Christian masses for centuries, does not hesitate to express all the beauty of love emanating from the divine source, neither does his medium.

"Without this special relationship, our messages would not be as they are now. Whether they are appreciated or not, they are imbued with this special vibration that does not pertain to this world.

"Relish this state, in which you immerse yourself during some of our contacts.

"They bear a different hallmark, which can be felt by hearts that are moved by this speech.

"Do not be afraid to love in that way and to show it. This kind of sublimated love is the most beautiful that could be expressed on this Earth. Continue in that direction, my daughter. Progressively shed that which is useless and let your heart vibrate ad infinitum."
