Whispers from The Brighter World
A Fourth Revelation

Doubt is human, it is normal, and the contrary would be worrying. In such an unconventional situation how could it be otherwise? Total assurance would be suspect. My dear daughter, we understand your reaction; it is inevitable. You must continue to trust us, even if you do not rely on your own gifts. You do your level best; we are in such a specific area.

"This mail should not disturb you. We will answer by tackling the problem in small touches and by reassuring the sender as well as possible. Continue as you always did. Be in the most complete surrender as regards this situation which seems difficult to you, and which, indeed, is not easy to address through this kind of communication. Be confident and do not get involved.

"Which risks do you run by doing what we ask you? Do the protagonists express any signs of dissatisfaction? Do you believe that such a correspondence could take place if there was no satisfaction on both sides?

"May your spirit be at peace and your heart happy, since they are chosen and are appreciated in this subtle and delicate matter."
