Whispers from The Brighter World
A Fourth Revelation

Tuesday, February 27, 2001 - 10:00 a.m.

This sanctuary is only accessible to you. It is the guardian of your faith, carried by the breath of the Divine. Everything is worked out in its centre. It is the source of its love impulses, its songs melt in there and your soul is delighted.

"When life becomes heavy, it is good to take refuge therein. In this haven of peace, our dialogue starts.

"The echo of our voices resounds and you note down, word by word, what is written in you.

"This principle is always the same; it is renewed every time, providing you with joys and sometimes worries when your mind activities resume. We often rush you; you must adapt to our speech and meet our requests. It is in these circumstances that surrender overcomes everything.

"Without it, loving would not be enough. Love cannot ignore qualms.

"To us, human reactions are foreseeable and, under the circumstances, we must deal with them.

"Humans are born with embodied plans and until the end of their life they have to strive to overcome their tendencies.

"It is not easy to forget them, whatever the way followed.

"It is a long way which requires the greatest vigilance."
