The Medium: "Babuji, I have come into the 'star' to meet you..."

That's well; the thirteenth point is that one. Why are you always doubting?"

Babuji

Thursday, December 10, 1998

(In sitting with Marie.)

It is very hard to advance; yet we are proceeding gently with you? All the tests you underwent in your life have weakened you much. Now that your understanding is widening; you understand that religions allowed domineering beings to control humanity."

Babuji
