"All that will be done to make these writings easier to read is a good initiative provided they are not distorted.

"These messages represent a teaching, a code of life and a support. Through them, we want to strengthen you from inside and to provide you comfort so that you can face the difficulties of your own life.

"Nothing is useless; all that you experience bears fruit and provides you greater stature, if you can accept it in all circumstances.

"Life is a school of wisdom. It can give the best results or failure, more or less.

"It rests with you to decide on that. You have to make choices aimed at building yourself according to your aspirations.

"Your destiny is set in advance, but it leaves you some latitude to develop at your convenience.

"May this reading help you in trying moments and enlighten you in all circumstances."
