Whispers from The Brighter World
A Fourth Revelation

Monday, April 9, 2001 - 10:00 a.m.

Do not be upset regarding the previous message. You cannot change the situation in the immediate future, nor can we.

"That is how things are; men act like sheep and do not resist skilfully run denunciation campaigns.

"Distance yourself, my daughter: many countries of the Earth live with much more tragic situations. Persecutions, violence and misery are their daily lot.

"This world is sick; it is trying to seek itself through tragedy. Happy people are rare; they are uneventful and live ignored by their kind.

"Large countries are busy in a sordid competition, which is the source of all evils and they foment dreadful aggressions.

"Money power is destructive: it only generates all kinds of conflicts and it inflicts misfortune to populations.

"This collective madness is accelerating; it will necessarily stop one day. By which means? Think about it and pray so that this poor Earth in the grip of negative forces raging therein can resume its common sense."
