Whispers from The Brighter World

Friday, January 1, 1999 – 10:00 a.m.

(Excerpts.)

ou are entering the most important stage of your life. Consider yourself as his disciple henceforth. I am happy to see you have reached this level. Your connection with the Masters is established. Realise how lucky you are. You can thank Babuji; he is the saviour of both of us. Henceforth, you are no longer allowed to make mistakes; weigh your words, be sober in your comments, try to speak as if He were in front of you.

(Babuji goes on, saying:)

I know all that can seem heavy, but everything has its price. An exhibition item has a different value than a functional object.

Such is your lot now. Don't complain about this, but do not live in fear of displeasing us; we are not torturers. You know how indulgent we are towards you.

Bathe in grace, my child. Throughout this day, you will feel our presence; thus those who are near you will benefit from our blessings.
