Whispers from The Brighter World

A Fourth Revelation

Sunday, April 29, 2001 - 10:00 a.m.

Tomorrow all will be but love. Today, we will stay in the reality of your Earthly existence; it is easy for none of you. We are trying, throughout these messages, to make you understand the meaning of all the ordeals you have to go through.

"Our way, like any other, cannot make you escape your human condition.

"It transforms your life in many respects, but it does not spare you from the sorrow and suffering which inevitably occur.

"Spiritual development provides it with a profound meaning. It transforms your condition and lightens your burden. Thus, you better find your bearings in time and space; you do not feel lonely any more, lost in the middle of this immensity. The loneliest among you belongs to a great family of souls that end up meeting again. They reunite according to well-established rules and their destiny is achieved at the highest level, where shady areas have disappeared and where only beauty remains.

"Sooner or later, the jigsaw is pieced together; all the parts fit together perfectly.

"Perfection is the purpose of all things, in the kingdom of the Divine Creator.

"Movement and action have no other goals than this culmination.

"Become aware of this quest for beauty and perfection; you will have understood a great truth."
