Whispers from The Brighter World

Wednesday, June 27, 2001 – 8:00 a.m.

Come and refresh yourself at the divine source and forget this sleepless night that has left you tied to this body of flesh, without being able to rejuvenate in other places.

Plunge inside yourself, there where everything can be forgotten, where the sublime essence is intact, where beauty cannot be tarnished.

Taste this profound peace and regain your strength. Unite through your heart with the beings you love, take them along in your wake, they will feel the benefits.

Let yourself be lulled by the melodious sounds that fill this space, and unite with the Divine in these blessed moments.
