Whispers from The Brighter World
A Third Revelation

Friday, June 15, 2001 - 10:00 a.m.

We will often be present in these moments of communion that unite you. You are surrendered to the divine inspiration that guides you and will govern your life until the end. Having accepted to serve us, you are engaged on a marked pathway, which can only help you in your own spiritual fulfilment. Pure and fervent hearts will see the light. To put one's heart into serving, tirelessly, is the key element of your personal evolution.

"Stay united in love for and with faith in your Masters. Be surrendered to their plans, even if they do not match your wishes. Trust them, they know what they are doing; they work for your good. Be in peace, you have all our blessings as a token of welcome.

"Make the most of these moments spent together."
