Whispers from The Brighter World
A Third Revelation

Sunday, June 17, 2001 - 8:30 a.m.

My child, advance in detachment, and go to the main thing. Focus on what has become essential for you: moving faster to the goal. Your body is providing you an invaluable help in this respect, since by the force of circumstances you are no longer taking part in outer life. We know that you are suffering from it, but such is your path. Accept this sacrifice; one day, you will bless these circumstances which save you precious time. Enjoy each moment of your life; use it to change yourself inwardly, to advance more quickly towards liberation."
