Whispers from The Brighter World
A Third Revelation

Sunday, July 1, 2001 - 8:00 a.m.

Do not dwell on comments made by humans and which can hurt you. Go beyond this stage, my dear daughter. Your spiritual goal is well defined; try to reach it without failing. All necessary means are in place so that your new phase of this conquest can start – better targeted and more active in its rise. You are entirely placed under the protection of the chosen guide; you have thus cleared a new step in your sadhana. There are stages in this work, times of reflection, of rest, after which one can set out again more determined than ever in what becomes obvious and essential to one's life.

"The same applies to every one of you. As you advance in your spiritual search, the road gets clearer. The goal to be reached becomes clearer. There is no more doubt in your mind; you have gone beyond this stage. You know where you want to go and with whom. You rely entirely on your Master. You are now sure of this since your heart made its choice and it cannot mislead you. Mutual trust is not commonplace, you trust in him and he trusts you too.

"This union of hearts is important; it represents a contract through which this business will be carried out efficiently. You can monitor its development with happiness, and will be able to notice its positive effects. It is up to you to be vigilant and to ensure that your attention does not wane."
