Whispers from The Brighter World
A Third Revelation

Friday, July 13, 2001 - 8:00 a.m.

My child, all is grace. Grace accompanies your life, it illuminates it – it is constant. You should be able to understand and admit it, and from then on, your life will be transformed. You will advance on a path where, at every step, you will be able to recognise it. Only initiates can live it to the full.

"It is within your reach, you who are our long-time aspirants; and if, in addition, you read our comments regularly, your hearts are therefore ready to immerse in it [grace]. It influences the entire spiritual life. Subtle and discreet, it has a liking for pure hearts, which call it in return. If you recognise it, its presence will grow in you and you will be as one with it. Then, you will happily advance and you will see its manifestation in every ordeal. You may say: 'These words do not concern me; all this is too much of a complication; I cannot rejoice over the bad strokes of fate – resigning myself [to them] is already commendable.' If you agreed to this new contract, all your life would be transformed; you would be stronger in the face of adversity. If our comments seem to be within your reach, you have taken a big step – which is not easy. For that, you have all our encouragements and blessings to advance in this way."
