Whispers from The Brighter World

Sunday, January 24, 1999 – 10:30 a.m.

It is good, my daughter. You realize what remains for you to do; the road is long and full of pitfalls. We appreciate your goodwill and your desire to do better. We help you. You are not going to doubt again!

You translated correctly what we wished to express. This Basant is a true success; many souls have awakened. We are happy about it. Each one has received according to their inner disposition. One can only fill what is ready to receive.

This celebration has had a very large impact across all the Earth. It truly needs it; it's a little like a balm on its wounds. Blessings for you and those to whom you will read these lines.

Babuji

I have indeed come to visit you as Babuji told you; be happy.

Lalaji

The Medium: Thank you, Revered Lalaji, and you, Babuji, for choosing me as an instrument.

When it is good, why deprive oneself of it?

Babuji

(He laughs.)
