(Extract.)

ou will soon get out of this long cycle. Important transformations such as those you have undergone are associated with health effects. It's hard for humans to comprehend this. We are satisfied, my daughter. You are for us an excellent channel to convey our teaching. Your role is not negligible.

"See you tomorrow, my child; we will prepare you to receive our message, which will be long and important. Perhaps, it will raise scepticism, but never mind; you are well placed to know that doubt exists. Be in purity and love."
