A Third Revelation

Sunday, July 22, 2001 - 10:00 a.m.

It is the process of repeating our pieces of advice to you that inscribes them in you and makes them re-emerge as the expression of your own nature. When there is a breeding ground, this alchemy takes place fruitfully. You, our aspirants, set yourselves a goal to be reached. All our action focuses on the effective implementation of this program suited to your capabilities. A work enabling you to advance in a constructive way results from these joint efforts. Be patient and determined; your path will progressively embellish itself as it keeps evolving towards the ultimate. You know that your efforts are not futile; which must encourage you to advance with a heart full of joy – that heart which changes with the passage of days and is ennobled in its divine search. It will emerge victorious and will be fulfilled beyond all hope. Keep faith in us, in yourself, do not depart from this line of conduct; it brings the best. We follow you step by step; it is the surest guarantee of success."
