Whispers from The Brighter World
A Third Revelation

Saturday, July 28, 2001 - 10:00 a.m.

Regarding your wish to rejoin me, aren't you with me every day in these contacts? Do you realise how special your life is? You cannot be more [present] with me than you are currently.

"Don't let your physical body make you forget this reality. We are united through the heart, in a special way. So, my dear daughter, be satisfied with what exists currently. Let time do its work; go to the end of this incarnation while being well aware that your life is extraordinary. You know the procedure to be followed; we have given enough instructions, useful for you, but also for every being reading these messages. More or less, you are all alike. In the human race, differences relate to personal spiritual development and a code of conduct applicable to all. When it is assimilated perfectly, the opportunity remains for man to advance under God's eye, surrendered to His great goodness and His mercy. We guide you on this path, for the best success."

The Medium: "Beloved Father, I am not worthy of all the graces you bestow on me, but my heart is full of love for you, a human love, meaning a love that cannot equate yours, which is of a completely different essence.

"You know better than I do how this heart is made and what emanates from it; this should be enough and speaks for itself. Your kindness touches me infinitely, for this I will never stop thanking you."
