Whispers from The Brighter World
A Third Revelation

Tuesday, August 7, 2001 - 8:00 a.m.

All that you are, all that life made of you, with its physical and moral ordeals, prepared you for this work where your personality is outlined. You are not a simple channel; you are involved in all that is written under our inspiration and which makes these messages livelier. A long practice of writing allowed you to be imbued with our thought and comments, which transformed you inwardly. Our hearts are united, and this filters through these writings. You are completely in our service; it cannot be any other way. This availability is necessary; it enables us to channel the best and most enriching things to all of you who make an effort to read us. By so doing, you do not waste your time; step-by-step, you advance without realising it. Your inner landscape has changed in small touches. It has been moulded, it has become brighter, its forms have become harmonious; all this has happened without you knowing it. By reading us you provide your heart simple food, easy-to-absorb, for its greatest benefit. Be blessed."
