Whispers from The Brighter World
A Third Revelation

Friday, August 24, 2001 - 10:00 a.m.

Why are you surprised by that visit, didn't I inform you about a surprise that would happen today?

"The teaching of this great Master, Master Jesus, as he told you, prepared your heart until our encounter could occur and foster this mission of yours. We are all brothers here, and we work in harmony and constructive peace. We are happy for you; this contact is a blessing. The work being carried out, thanks to your gifts, is recognised and appreciated by the greatest [Masters]. A new era calls for a different teaching. Since the beginning of time, this is how it has always been. Time passes, men change and Masters come at each pivotal time to give other teachings and arguments, more suited to men's evolution. The very essence of these teachings is the same, but presented differently as they bring in other elements which allow a throng of people to have access to a more esoteric teaching. Humanity is progressing slowly, people's minds are opening ineluctably, and a broader diffusion of this knowledge is necessary; it will reach its goal when the time comes."
