Whispers from The Brighter World
A Third Revelation

Tuesday, September 11, 2001 - 10:00 a.m.

This place where you are longing to rejoin us is inside you. Do not neglect, as you do, this palace, i.e., your soul, where you can find us. At any moment, you can isolate yourself and feed yourself abundantly on this substance which is within your reach. It is not enough to be hungry; one must do everything possible to eat one's fill. Take advantage to the utmost of all that is given in this life; do not wait for tomorrow to pick this rare flower which is inside you – do it here and now. It is the best means of preparing your future [life] in other places and other times. Do not neglect anything here below; what this incarnation offers to you is important. Make sure you can accumulate goods regarded as worthless in the eyes of men. They earn you a cloth of light, which will clear your way to the ultimate life. You who are mystics, you can understand these comments. Inside you, right now, is located this special place connected to the Great Whole. Tirelessly continue on this work of approaching; be united with the Divine more intensely and all will be well."

Babuji
