Whispers from The Brighter World

A Third Revelation

Thursday, September 20, 2001 - 10:00 a.m.

We have already come a long way together, my dear child. Do not give up, we beg you; do not feel worried by events that may not occur. In the previous message, we have sufficiently elaborated on confidence and faith. Grace helps endure difficult steps; it is granted to valiant hearts. Think of your Master, who is also struggling to resist against all odds.

"Each one must face ordeals when they manifest themselves; there is no other alternative, since they mark out this Earthly path and cannot be bypassed. In surrender lies the remedy; it is effective in its own way. It denotes a great inner force, which we believe you are capable of, you all who are on your own way. Try to keep joy in your heart. Be united with your brothers on the Earth through highly elevated and comforting thoughts. Consider that some of them are in desperate plights, without any way out whatsoever, left to themselves and in despair. Make sure you overcome your own worries, have a global vision of humanity as much as you can. This prospect will reassure you about yourself."
