Whispers from The Brighter World
A Third Revelation

Sunday, September 23, 2001 - 8:00 a.m.

y daughter, be in peace; life passes with its trail of tests and joys. "Spiritual joys are the most durable. On their way they sow rare flowers that converge at the proper time into a bouquet, accompanying you on your greatest journey. Nothing is lost; everything is recorded under the eye of the Almighty, the father of all of you. You are His children and for this reason He can be merciful, but His ire can be great. There are limits not to be exceeded, but men do not hesitate to do so. Many of them are unaware of the way of wisdom and reason. Love has deserted their hearts; they are advancing like wild animals chasing a prey, and unwilling to listen.

"Pray, you who are wise, so that humans will grow, so that they will finally open their eyes to the realities of life on this Earth as well as to the realities of its extension elsewhere. Rebellious hearts revelling in darkness are to be pitied. Be as compassionate towards them as possible."
