Whispers from The Brighter World
A Third Revelation

Thursday, October 11, 2001 - 10:00 a.m.

(To Jean-Michel)

May you, my son of the early times of Sahaj Marg in France, find your bearings again and follow the threads that connect you to my heart. Trying periods ahead suggest that all should gather together and unite in faith, for the love of us, and act in a spirit of cohesion and abnegation. Blessed souls must assemble rather than be disunited, and act in the service of our cause, which is to help humanity.

"Think about these comments, my son. Be blessed."
