Whispers from The Brighter World
A Fourth Revelation

Friday, October 26, 2001 - 5:00 p.m.

My child, receive this special blessing. You see how love can be given and received. It is like a swirl that rocks man's heart by its sometimes sudden nature.

"Forget your worries for a while; let yourself go and taste the grace bestowed on you.

"We cannot remain insensitive to your worries and your sufferings; they make an impression on your way, thus ennobling it.

"You are not alone insofar as we look after you, even if we do not express it in an outstanding way.

"Be at peace; let yourself be carried away by this wave that takes you far from arid banks and unspeakable struggles. It is all done on purpose and necessary for your evolution. This argument is difficult to understand, but it bears fruit, which will delight you one day.

"Continue on your path, light-heartedly. It is all mapped out; you cannot shorten it, which is good as it is.

"Trust in your destiny; our love is meant to embellish it as best as possible."
