Whispers from The Brighter World
A Fourth Revelation

Saturday, November 10, 2001 - 8:00 a.m.

Try to go beyond the present time, to project yourself into the future and imagine what your life will be tomorrow and what it will be in the future, when you have left this body of flesh, which serves you with courage. There is unity in the spirit; what you are today, in terms of your subtle being, will remain beyond this life. Your objectives will be more or less the same, enlightened by a truth beyond human reach.

"You will pursue your goal with other means as a much brighter light will be cast on your way.

"That world which you aspire to, you will know it at the appropriate time; the important thing is to rise from wherever you are.

"You are not really separated from us; a thin veil hides this parallel world from you. Distances, time, are human concepts; they do not matter to us. You are in good hands. Be thankful for the enriching experiences you are privileged to live.

"The long growth process of a soul must ennoble it, to reach the sacred gate. Never lose sight of this result. It must give you courage to carry on light-heartedly, in spite of the trials you must undergo.

"Our love is with you."
