Whispers from The Brighter World
A Fourth Revelation

Thursday, November 15, 2001 - 8:00 a.m.

Considering humanity in terms of its ugliness, how could one not be moved by a loving heart whose sole goal is to serve us! This aspect in a human being manifests itself in various ways.

"It is comforting to see that good exists and that it tries to counterbalance evil. We are all working here to help this planet acquire another status. The suffering of this world moves us, but it remains a crucible where evil ends and good begins. This thoroughfare reveals great souls that emerge into the light.

"It takes time to reach this point of fulfilment. There can be shortcuts, but generally, man must work relentlessly towards his liberation.

"Creation as a whole must go through cycles of suffering; it is a rule in this world, it can take various forms.

"Each stage of life must refine the heart of man. In this long pursuit of perfection, grace always ends up appearing. God is great; He loves his creatures, as evidenced by His mercy at all times."
