Whispers from The Brighter World
A Fourth Revelation

Sunday, November 18, 2001 - 8:00 a.m.

My daughter, overcome your sufferings; this contact can only help you. We help you to the maximum to alleviate the shocks that your body is undergoing.

"We are ensuring that you do not remain cut off from the source for too long a time.

"In spite of your tiredness, it would be wise to continue our dialogue. In the future, your fellow beings who will have the opportunity to read these messages, will understand that they are the links of an immense chain connecting them to the Divine. Through you, our interventions and advice are also intended for them.

"We will not insist more; you should recover from this surgery. Do not do something imprudent. Do not worry. As you can see, the channel is still open.

"Do not overestimate your strength. Thank your dear daughter-in-heart for what she is doing for you. You both have our blessings."
