Whispers from The Brighter World
A Fourth Revelation

Monday, November 19, 2001 - 8:00 a.m.

The Medium: "Babuji, Beloved Father, your heart is so big and mine so small. In this infinite space, it is calling you, at all moments. It needs you, your love, this subtle energy that soothes it. Only it has this power."

y child, being the receptacle of love means also giving it, redistributing it to the hearts that aspire to be united with the Divine.

"Love is a powerful vehicle which unites the souls of seekers. They feast on this very special vibration, impalpable, which only choice souls can recognise.

"This special food is the best. It transcends everything; it embellishes feelings and the most insignificant acts. It transforms man in the secrecy of his soul.

"Continue to sustain yourself on this infinite love, which ennobles you beyond human perceptions in the vast intricacies where the soul feeds itself.

"Carry on your way, detach yourself from this world. This search will not disappoint you."
