Whispers from The Brighter World
A Fourth Revelation

Tuesday, November 20, 2001 - 10:00 a.m.

My dear child, be confident for yourself, for all those you love, as well as for the multitude on the way to redemption.

"Appearances are deceptive. They do not foresee, in the immediate future, a rejoicing Eden for humanity and yet it is moving towards a better becoming. The great universal soul calls into itself each individual soul.

"This work takes place slowly at the pace pre-established by the divine order.

"Its power manifests itself tirelessly, inexorably. The divine power in its perfectly set up mechanisms does not leave anything to chance.

"The human being advances individually, so it seems, but actually he is caught in this huge, ceaseless and constructive movement. Man in his smallness cannot imagine, for a single moment, the reality of his existence.

"It is better for him to believe that he is the master of his own destiny, if this prospect can make him happy.

"This does not matter; he continues on his road, carried away like his fellow creatures towards a nobler goal."
