Whispers from The Brighter World
A Fourth Revelation

Saturday, December 22, 2001 - 10:00 a.m.

Are we not there at your side? You are never alone; you know it. We are no substitute for a physical presence, when you call for help. A kind soul happened to answer your call and we will make sure that it may always be so.

"My dear daughter, you are a case apart; you are special, we alone can appreciate it. You live in your cocoon, between heaven and Earth, closer to us than to humans who can only see you as an ordinary being.

"How could they know and understand who you really are? Let life run past, my child. Be patient and determined to carry on your road, and do what we expect of you.

"You could live ignored, without faith, love and support; how then would your life look? The sun is inside you; love is in your heart and overcomes it sometimes. Your soul lets itself be carried by the salutary wave. It makes itself lighter, rocked by this beneficial wave. Your song of love delights the angels, the people of the heavens, and they alone can value it. Humans cannot hear anything. They are deaf to this music which is unfamiliar to them.

"This kind of relationship is special, it is personal and no one can grasp its beauty."
