A Third Revelation

Wednesday, February 13, 2002 - 10:00 a.m.

We will not burden you again too much today; you need rest. Think of all these writings that have piled up from day to day forming a large chain, each link of which sheds a different light on a very simple and universal truth. When the hearts have complied with it, all will become easy with regards to spirituality, and the work being carried out on both sides in our practice will bear its fruits quicker and better."
