Whispers from The Brighter World
A Third Revelation

Friday, February 15, 2002 - 8:00 a.m.

My dear daughter, we appreciate your steadfastness in effort. You make this service the first duty of your heart. We thank you for keeping up against all odds. We appreciate the strong personalities that put service first. My son is such a model; he does not dwell on his physical difficulties; he acts, he drains himself of strength and surpasses himself all the time. Thus are the missioned beings who remain selfless in divine love and in their availability for anything related to it. Without this rigour towards oneself, nothing is possible. One cannot lead a life of service as a dilettante. We will resume later; today again you must spare yourself. We want it so."
