Whispers from The Brighter World
A Third Revelation

Sunday, February 17, 2002 - 10:00 a.m.

Two quite distinct personalities, but two hearts merged into the divine power to work along with it, with all the mercy it is capable of – thus is established a sacred union between the Master and the chosen disciple on that plane. It is about joining forces, so that the willingness to serve becomes true. By joining our forces on different levels our action is increased tenfold. Love acts; it works wonders dedicated to the glory of God.

"We are servants, this should not be forgotten; there exists a hierarchy there too. Each one has his range of action and he works for the common good. To answer your question, my dear daughter, why couldn't you serve us when you have left this Earth? Isn't it what you are already doing? You are engaged in this way, which corresponds to your deep desire to be at our disposal. It is a state of mind that is nowhere near changing, even after the soul has chosen to carry on its path in other places. This need to love and to be offered to the acting divine forces will continue to be, and will be used according to the established plans. We follow you and will not lose sight of you, no matter what happens. Don't worry about this aspect.

"Blessings to all."
