Whispers from The Brighter World

A Third Revelation

Sunday, February 24, 2002 - 8:00 a.m.

Today is a special day for you. You have reached another vibratory level. You rejoice for so much grace and thank endlessly for all that is bestowed on you.

"My dear daughter, we rejoice for you; you have cleared an important step and you will be able to help in a different way. We know how very close service is to your heart; therefore, don't deny it to yourself; you have carte blanche for that. Redistribute generously what is given to you. Light does not manifest itself in a heart to remain eternally hidden; you should widen your horizon and make sure that its rays extend to the infinite and get lost in the universal love. Accept these messages addressed to you; don't hide them. By accepting that they are read, as well as the others, you render thanks to the divinity operating in you. Therefore, expose yourself to the divine ray that illuminates your heart, and show it unrestrainedly. You are a case of your own in the history of our Mission. Time will give it its place, which you will not have to monitor any more. God uses souls that are called and assigns them the role He sees fit. Be surrendered to His will and all will be well."
