Whispers from The Brighter World
A Third Revelation

Thursday, March 28, 2002 - 8:00 a.m.

Feed on the divinity, on its presence in your heart. Open up more and more to its vigilance; let it operate as it pleases. Be surrendered more and more to its guidance. Step aside and let your life go into the direction in which it must go. Make yourself available, conscious that the last act of your life is being played, and that nothing should block or delay your progress any more. You made choices to which we adhere completely, since they meet our wishes. By making yourself available to serve us, it is God you are making allegiance to. May this flame keep burning in your heart, and may you set an example of surrender for fervent hearts that will actually be willing to follow us. It is simple to love; it is also a vocation. Aspiring to live carried by love, leads into this state. A trickle of water flows to the river, which continues running, quite naturally, carried by a powerful wave. Love is an attractive force; nothing resists it, therefore do not repress your hearts when they are touched by grace."
