Whispers from The Brighter World
A Third Revelation

Thursday, April 11, 2002 - 10:00 a.m.

In a Master-to-disciple relationship there is no reserve with regard to love. It is the thread linking them; this union is only possible through it. Until the end of these messages, we will mention love; how can we do otherwise, since it is the central point of any action in this area? Here, it is never overused; it is not mentioned unadvisedly. This kind of love is the only refuge of man, since it cannot change. Make sure this concept does not escape you. Cultivate it in your hearts, and give it a prime position, it will not disappoint you. Its power will propel you into astonishing places that will leave a deep mark in you. Let yourself be carried by this highly unique energy. Make sure it permeates each one of your cells, in a powerful and irreversible movement; it will transform you on all levels. Become aware of this aspect of your spiritual process and give it the whole place that it deserves."
