Whispers from The Brighter World
A Third Revelation

Friday, April 12, 2002 - 8:00 a.m.

You respect our thought faithfully; it does not need mentioning. We appreciate your caring about it. Rest assured in this aspect, and continue in the same spirit as much as you can possibly do. You can note the changes occurring in the hearts around you. Your small circle, which benefits from this teaching, shows us encouraging results. Each one assimilates it in their own way; it makes its way [in the hearts] in various ways and touches specific points, leading to a change in habits. All this work takes place slowly, being carried out in the secrecy of the hearts, where the most beautiful systems are developed, since they defy time and space. This time you devote to reading and assimilating these messages is rich in consequences. We can only encourage you to continue in this direction. May this reading help you to face up to the incidents which necessarily occur in one's life – however protected it may be – and may our wish come true, concerning your spiritual fulfilment."
