Whispers from The Brighter World
A Third Revelation

Tuesday, April 30, 2002 - 8:00 a.m.

Let only that love which is inside you govern your life. Do not let yourself be caught in the magic spells of the worldly one. Stand firm on your positions and your priorities. Your age and your isolation do not give anybody the right to rule you with a high hand. Your obligations must take precedence over anything else. Today is a beautiful day for your heart; it sings its gratitude to the Divine for the birthday of my coming to the world. All the hearts united in the same spirit are in praise rising towards Him. It is a day of grace by His will. Make the most of it, you who are breaking off momentarily to remember and thank. In His great kindness and love for humanity, He sends guides who can light it up. All must be done according to set plans. It is necessary to see this cycle through, so that light can emerge from this cesspool. Be well aware that the final act of the play is being performed; it is important, long and decisive. Each one in his role can perfect it by giving it all his strength and his gloss. You have all the relevant elements; it is enough for you to know how to take your steps. We bless you all, you our faithful candidates, on this day of divine grace."
