Whispers from The Brighter World
A Third Revelation

Make sure you appreciate this distinguished grace, in terms of benefiting from the powers of a high level spiritual Master. Many of our candidates do not realise how lucky they are. This is not commonplace; such an opportunity does not arise twice in one's lifetime. When it occurs, it is necessary to seize it and to stick to it as well as possible. This speech can seem improper to you; it is nothing of the sort. We are not on a way in which the goal is to attract followers by all possible means. That is not part of our remit, and especially of our Mission on this Earth. Ours is very different, very vast, unifying and sanctifying. It is beyond all religious and racial criteria. Its action is wanted, and it was decided a long time ago to take on its full meaning in times to come.

"You are the pioneers of this great mystical adventure that has not finished intriguing humans and hitting the headlines. Let yourself be won over by the enthusiasm of faith, let it be heightened in praising the divine greatness, which can answer the call of souls thirsting for grace. This project is imposing, but it will succeed; it is bound to."
