Whispers from The Brighter World
A Third Revelation

Monday, May 6, 2002 - 9:30 a.m.

Turn more and more towards God, towards your Master and let your heart, wounded by life, delight in their presence in it. Your soul is sent into raptures in these sublime and sacred moments when Unity manifests itself in you. Let yourself be carried beyond this world, far from its bustle and its disappointments. Regard them as the waves whipped up by the wind, which don't leave any traces. How important are they? Are they recorded on the register of time? They are mere trifles. Your heart has better things to do than letting itself be saddened by human vicissitudes. You chose your true vocation, that of loving the Divine and all that is associated with It. Your Master is there to guide you and prevent your stumbling. You placed all your confidence in him, so what are you afraid of? Is your soul not serene and full of hope for the fulfilment of its dearest wish? Be at peace, my child; whatever the rigours of life, they cannot affect the main thing, the very essence of the divinity residing in you. Be blessed and carried by this powerful force that guides your steps."
