Whispers from The Brighter World
A Third Revelation

Tuesday, May 14, 2002 - 8:00 a.m.

Regain your smile; is it not a beautiful day? Two valiant hearts have come from afar to see you and bring to you the most beautiful gift, the fruit of their work. They are not last-minute workers. This careful work has been going on for a long time; it has taken years to do it. They have closely followed your work, which results today in all these beautiful books. You can let them know that we appreciate it. May your dear brown-headed [children] be thanked and blessed for their integrity and their dedication to our cause.

"That is a work that will stand out in the history of spirituality. You should, all of you, be aware of this. We gave these messages so that one day they will reach a wide audience and nurture people's hearts, as they have done for you who have been following them all along. You have all our blessings."
